PRICING & PROMOTIONS

Firstly, a warm welcome and Thank you to all our Customers and Friends, many now in their 25th year of trading with us.

Let me start with an important question for you.

Are you receiving our Monthly Promotional offers?

If not, you will be unaware that every month, we have approximately 40 Products on offer with between 10%-50% discount off list price and therefore missing out on some fantastic deals.

To register for these promotions, please contact the office on **01708 750 006** or your sales agent to receive via email or WhatsApp.

This year we have not entered pricing in the brochure as it is not a true reflection of the overall, much lower pricing we have to offer on a regular basis.

For up-to-date pricing please visit:
www.simplyheavenlyfoods.co.uk

We also have special pricing available for larger volumes from Half Pallets to Full Containers. For which many of you are now already taking advantage of.

For further details please contact the head office on **01708 750 006**.

Traditional Mexican 'masa harina' is a gluten free corn made from finely ground corn meal. In Mexico masa harina is widely used for making tortillas and many other Latin American favourites. We make our tortilla chips with white corn masa, which has a softer and smoother texture than yellow corn tortillas, which are slightly thinner and have a coarser texture.
